Scope ASR 2026 – CME on “Advances in Gynae Laparoscopy”

Dr. Suman Puri, Chairperson of the Punjab IAGE Chapter and Professor & Unit Head, Department of Obstetrics & Gynaecology, DMC&H, successfully organized a CME on “Advances in Gynae Laparoscopy – Scope ASR 2026”, in collaboration with Fortis Escorts Hospital, Amritsar, on 9th August 2026 at Courtyard by Marriott, Amritsar.

The CME witnessed enthusiastic participation and featured an excellent scientific programme focusing on the latest advances in gynaecological endoscopy, minimally invasive surgery and robotic surgery.

The CME was inaugurated in the esteemed presence of distinguished dignitaries and office-bearers of Punjab IAGE, including Dr. Suman Puri, Chairperson; Dr. Ajay Aggarwal, Secretary; Dr. Mangla Dogra, Past Chairperson; Dr. Venus Bansal, Joint Secretary; Dr. Seema Wadhwa, Joint Secretary, along with Dr. Angila Aneja, Guest of Honour from Fortis La Femme, New Delhi, and Dr. Bajwa, PMC Member, Amritsar.

Under the dynamic leadership of Dr. Suman Puri, Punjab IAGE continues its vision of empowering every gynaecologist with comprehensive knowledge and hands-on training in endoscopy, enabling them to perform world-class minimally invasive surgeries.

Dr. Suman Puri delivered an insightful and highly informative lecture on “Complex TLH with Advanced (Robotic) Technology.” She highlighted the evolution of laparoscopic hysterectomy and the integration of advanced robotic technologies in modern gynaecological surgery. Her session focused on simplifying complex laparoscopic procedures, understanding surgical anatomy, appropriate use of advanced technology, and improving surgical precision and patient outcomes using 3D laparoscopy and robotic technology. The session provided valuable insights into the practical application of advanced minimally invasive techniques in gynaecology.

Dr. Mehak Arora, Assistant Professor, participated as a panelist in the panel discussion on “Challenges and Complications in Laparoscopy,” contributing to the academic discussion on the recognition, prevention and management of complications during minimally invasive surgery.

The video presentation session was another highlight of the CME, with excellent participation from the department and Fortis Escorts Hospital.

Dr. Heena Ladher, Senior Resident, Department of OBGYN, DMC&H, was awarded the 1st Prize for her video presentation titled “Inside Robotic Surgery: From Docking to Hysterectomy.”

Dr. Anmol from Fortis Escorts Hospital, Amritsar, was also awarded the 1st Prize for the video presentation titled “Laparoscopic Myomectomy.”

Dr. Mehak Arora was awarded the 2nd Prize for her video presentation titled “Adhesiolysis in Hysteroscopy” in the Punjab IAGE video presentation session.

The arrangements for the programme were efficiently coordinated by Dr. Ruchika, Consultant OBGYN, Fortis Escorts Hospital, Amritsar, contributing significantly to the smooth and successful conduct of the event.

The Department of OBGYN expresses its sincere gratitude to the Secretary, Treasurer and Principal for their constant guidance, encouragement and support in promoting endoscopy and minimally invasive surgery at the institute.

The successful conduct of Scope ASR 2026 reflects the continued commitment of Punjab IAGE towards advancing endoscopy, minimally invasive and robotic gynaecological surgery through academic excellence, skill development and collaborative learning.
